

Test Valley Borough Council Local Plan 2042 Revised Regulation 18 Public Consultation

Test Valley Borough Council is preparing the next Local Plan for the Borough and is now seeking comments on its draft Local Plan.

This draft Local Plan is at the Regulation 18 stage. Public consultation on a full draft Local Plan (Regulation 18 Stage 2), took place in early 2024 and identified how the Council were aiming to deliver its housing requirement. This was prepared in line with national planning policy and guidance in force at that time. Since then, the national planning policy position has significantly changed to reflect the Government's ambition of increasing the delivery of housing both nationally and immediately with a target to build 1.5 million new homes across England over the current Parliament between 2024 and 2029. As a result of this, our housing requirement has been increased from 524 to 934 homes per year across the Borough, a 78% increase. This equates to a minimum of 15,878 homes to be delivered over the 17 year plan period from 2025-2042.

This has led to Test Valley Borough Council needing to revisit the Regulation 18 stage to identify how the Council is seeking to meet the Governments increase in housing need for Test Valley to safeguard against speculative development and to coordinate the delivery of the necessary infrastructure. This consultation document focuses solely on matters related to addressing our increase in housing needs, and any consequential changes, such as on employment needs, are explained.

Test Valley Borough Council is seeking your comments on how the Council is proposing to plan for all these homes. As the purpose of this consultation is very focussed, there are matters such as development management policies, where the Council's position remains as set out in Regulation 18 Stage 2. Previous comments made on these matters will be considered to inform the next stage of the draft Local Plan (Regulation 19). When making comments on Revised Regulation 18, it may be helpful to reference policies in the Regulation 18 Stage 2 consultation, as relevant.

Consultation Process

The draft Local Plan 2042 Revised Regulation 18 will be out to public consultation for an 10-week period running from Friday 27th June 2025 to noon Friday 5th September 2025.

The documents are available on the Test Valley Borough Council website at www.testvalley.gov.uk/localplan2042
