

Lockerley Parish Council

Subject Access Request Policy

What must I do?

1. **MUST:** On receipt of a subject access request, it must be **forwarded** immediately to the Data Protection Officer, Mr. Kevin Glyn-Davies
2. **MUST:** The Parish Council must correctly **identify** whether a request has been made under the Data Protection legislation.
3. **MUST:** A member of staff, and as appropriate, councillor, who receives a request to locate and supply personal data relating to a SAR (Subject Access Request) must make a full exhaustive **search** of the records to which they have access.
4. **MUST:** All the personal data that has been requested must be **provided** unless an exemption can be applied.
5. **MUST:** The Parish Council must **respond** within one calendar month after accepting the request as valid.
6. **MUST:** Subject Access Requests must be undertaken **free of charge** to the requestor unless the legislation permits reasonable fees to be charged.
7. **MUST:** Councillors and the Parish Clerk must ensure that they are **aware** of and follow this policy.
8. **MUST:** Where a requestor is not satisfied with a response to a SAR, the council must manage this as a **complaint**.

What is the procedure?

1. The Data Protection Officer will advise members upon receipt of a request and acknowledge accordingly.
2. The Parish Council must ensure a request has been received in writing where a data subject is asking for sufficiently well-defined personal data held by the council relating to the data subject. The Parish Council will clarify with the requestor what personal data they need. They must supply their address and valid evidence to prove their identity. The council accepts the following forms of identification (* These documents must be dated in the past 12 months. +These documents must be dated in the past 3 months):
 - Current UK/EEA Passport
 - UK Photocard Driving Licence (Full or Provisional)
 - Firearms Licence / Shotgun Certificate
 - EEA National Identity Card
 - Full UK Paper Driving Licence
 - State Benefits Entitlement Document*
 - State Pension Entitlement Document*
 - HMRC Tax Credit Document*
 - Local Authority Benefit Document*
 - State/Local Authority Educational Grant Document*
 - HMRC Tax Notification Document
 - Disabled Driver's Pass
 - Financial Statement issued by bank, building society or credit card company+
 - Judiciary Document such as a Notice of Hearing, Summons or Court Order
 - Utility bill for supply of gas, electric, water or telephone landline+
 - Most recent Mortgage Statement
 - Most recent council Tax Bill/Demand or Statement
 - Tenancy Agreement
 - Building Society Passbook which shows a transaction in the last 3 months and your address

3. Depending on the degree to which personal data is organised and structured, the Parish Council will search emails (including archived emails and those that have been deleted but are still recoverable), Word documents, spreadsheets, databases, systems, removable media (for example, memory sticks, floppy disks, CDs), tape recordings, paper records in relevant filing systems etc.
4. The Parish Council must not withhold personal data because it believes it will be misunderstood; instead, the Parish Council should provide an explanation with the personal data. The Council must provide the personal data in an “intelligible form”, which includes giving an explanation of any codes, acronyms and complex terms. The personal data must be supplied in a permanent form except where the person agrees or where it is impossible or would involve undue effort. The Council may be able to agree with the requester that they will view the personal data on screen or inspect files on premises. The Parish Council must redact any exempt personal data from the released documents and explain why that personal data is being withheld.
5. The Parish Council will make this clear on forms and on the council website
6. A database is maintained allowing the council to report on the volume of requests and compliance against the statutory timescales.
7. When responding to a complaint, the Council must advise the requestor that they may complain to the Information Commissioners Office (“ICO”) if they remain unhappy with the outcome.

In the interests of transparency, the Parish Council has set out sample letters that can be used so that the requestor can understand what to expect in response to a Subject Access Request (SAR).

Sample letters

1. **All letters must include the following information:**
 - (a) the purposes of the processing;
 - (b) the categories of personal data concerned;
 - (c) the recipients or categories of recipients to whom personal data has been or will be disclosed, in particular in third countries or international organisations, including any appropriate safeguards for transfer of data, such as Binding Corporate Rules¹ or EU model clauses²;
 - (d) where possible, the envisaged period for which personal data will be stored, or, if not possible, the criteria used to determine that period;
 - (e) the existence of the right to request rectification or erasure of personal data or restriction of processing of personal data concerning the data subject or to object to such processing;
 - (f) the right to lodge a complaint with the Information Commissioners Office (“ICO”);
 - (g) if the data has not been collected from the data subject: the source of such data;
 - (h) the existence of any automated decision-making, including profiling and any meaningful information about the logic involved, as well as the significance and the envisaged consequences of such processing for the data subject.

¹ “Binding Corporate Rules” is a global data protection policy covering the international transfer of personal data out of the European Union. It requires approval of a data protection regulator in the European Union. In most cases this will be the relevant regulator where an organisations headquarters is located. In the UK, the relevant regulator is the Information Commissioner’s Office.

² “EU model clauses” are clauses approved by the European Union which govern the international transfer of personal data. The clauses can be between two data controllers or a data controller and a data processor.

4. Replying to a subject access request explaining why you cannot provide any of the requested personal data

"[Name] [Address]

[Date]

Dear [Name of data subject]

Data Protection subject access request

Thank you for your letter of [date] making a data subject access request for [subject].

I regret that we cannot provide the personal data you requested. This is because *[explanation where appropriate]*.

[Examples include where one of the exemptions under the data protection legislation applies. For example the personal data might include personal data is 'legally privileged' because it is contained within legal advice provided to the council or relevant to on-going or preparation for litigation. Other exemptions include where the personal data identifies another living individual or relates to negotiations with the data subject. Your data protection officer will be able to advise if a relevant exemption applies and if the council is going to rely on the exemption to withhold or redact the data disclosed to the individual, then in this section of the letter the council should set out the reason why some of the data has been excluded.]

Yours sincerely".

This Policy was formally adopted at the Parish Council meeting held on 11 March 2024 and will be reviewed: March 2025.
