Dear Resident,

Re: Butts Green

We are writing to let you know that in response to safety and quality concerns raised by residents and school children, Lockerley Parish Council is setting up a working party to consider any improvements.

Attached is a flyer providing you with the dates and times of the meetings if you would like to join us. On 21st October we are holding a drop-in session from 12 midday to 5 pm to gather people's experiences and hear any ideas people have about how to improve the quality and safety of Butts Green.

Should you be unable to join us on any of these occasions, we are particularly interested in hearing from you as a resident living alongside Butts Green. We would love to hear about two things that you think are working well (or worked well before) and two things that need improvement.

Please send your responses to one of the following parish councillors who are supporting the working party. Their e mail addresses are:

Jo Young j.young@lockerley-pc.gov.uk

Peter Funnell p.funnell@lockerley-pc.gov.uk

Kevin Baker k.baker@lockerley-pc.gov.uk

Should you prefer a telephone conversation then please e mail us with your number and we will arrange to call you. E mail responses by 21st September would be appreciated.
